Highlights

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

100% fast

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

Tested & approved by experts:

This iron is tested and approved by independent textile experts institutes.

SteamGlide Soleplate

This specially designed soleplate combines superior ceramic coating for superior gliding on all fabrics and carefully designed vents for powerful crease removal.

Auto Steam Sensor

The innovative Auto Steam Sensor with motion detection activates the steam automatically when moving the iron on the ironing board. This always gives you the right amount of steam for effective crease removal, while reducing the wasted steam. Great results and energy efficiency

Constant steam up to 65 g/min

Constant powerful steam up to 65 g/min for better crease removal for all your garments

Steam boost up to 200 g

The iron's 200 g steam boost enables you to easily remove even the most stubborn creases.

Smart light feedback

Smart light feedback indicates the status of the iron at any time.

OptimalTemp

One perfect setting for all your clothes. Always the perfect combination of steam & temperature because: 1) Advanced Smart Control Processor sets the perfect combination of steam & temperature 2) The ultra powerful cyclonic steam chamber delivers powerful constant steam for all your fabrics

Safety Auto Off

Iron shuts off automatically when the iron is hold still for 30s on soleplate, 30s lying on a side or standing on its heel rest for 8 minutes.

2400 W for fast heat up

2400 W iron for fast heat up and powerful performance on all your ironable garments.
